Town Warrant

To the Inhabitants of the Town of Tuftonboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town House in said Tuftonboro on Tuesday, the 11th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Sixty-six thousand, six hundred two dollars and forty cents (\$66,602.40) as approved by the Budget Committee.
3. To see if the Town will vote to raise and appropriate the sum of seven hundred forty-six dollars and twenty-three cents (\$746.23) for Town Road Aid as approved by the Budget Committee, the State to contribute the sum of Four thousand nine hundred seventy-four dollars and eighty-eight cents (\$4,974.88).
4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the collection of taxes for the current year, and issue notes therefor, said notes to be repaid during the current municipal year.
5. To see if the Town will vote to give the Selectmen authority to sell the old fire station at Melvin Village.
6. To see if the Town will designate the Chairman of the Board of Selectmen and his successors in that office, to enforce the Subdivision Regulations of the Planning Board by enjoining sales and transfers of land in violation of those regulations and by recovering for the Town, the penalties imposed thereunder.

7. To see if the Town will vote to rescind the votes taken under Article 6 of the Town Warrant for the town meeting held in 1967, and under Article 5 of the Town Warrant for the town meeting held in 1968, thereby ending the power of the Planning Board, said vote to be effective at once.

8. To transact any other business which may legally come before the meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and sixty-nine.

DELMAR L. McINTIRE
HAROLD A. GREBENSTEIN
MILTON E. HODGES

AUDITORS' CERTIFICATE

We have examined the accounts of the various Town Officers as at December 31, 1968. Our examination was made in accordance with the auditing standards as prescribed by the State Tax Commission, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1968.

1968 Report on Carroll County Mental Health Clinic

The Carroll County Mental Health Service is a non-profit mental health clinic founded in 1966. It is staffed to serve all ages and income levels and is maintained through the cooperation and generosity of public and private sources. Since each township in Carroll County benefits from the treatment and care of its mental health patients, we are asking each town to share on a per capita basis. This source of support is absolutely vital for the continued operation of the clinic.

In 1968 the Carroll County Mental Health Service conducted 963 patient interviews and held 416 consultations with groups and individuals to help detect and diagnose emotional and mental disturbances. Group meetings have been held with police, courts, schools, hospitals, clergy and welfare agencies. Kingswood High School and Tuftonboro Elementary School are receiving services from the Carroll County Mental Health Clinic by monthly consultations by the consulting psychiatrist and psychologist and also direct casework.

Respectfully submitted,

JANE NEWCOMB
(Mrs. Nelson F.)

Conservation Commission

During the year 1968, the Tuftonboro Conservation Commission has concentrated its efforts on beginning the study and surveying the public right-of-ways to open bodies of water within the township. We have had three of the town's several right-of-ways surveyed, two of which have boundary discrepancies which we hope might be settled at a later date by agreement with abutting landowners. In the meantime, we plan to continue our study of other right-of-ways which are of such an important recreational and practical value to the town.

Again, the Commission welcomes suggestions from the townspeople, as well as constructive criticism.

Respectfully submitted,

JAMES H. S. DUNCAN, Chr.

FORREST PERKINS

CHESTER PRATT

Tuftonboro Conservation Commission

ANNUAL REPORT

Public Health Nursing Assoc.

It was voted at the annual meeting in January, 1968, to hire, if possible a full-time nurse. Further, since we wished to continue as the public health nursing agency qualified to handle Medicare and Medicaid patients, we needed to amend our By-laws, update our personnel policies and create a set of medical policies for our nurse.

One year later the Public Health Nursing Association of Wolfeboro & Vicinity can look with pride on our accomplishments of 1968. First, we now meet all the Federal requirements imposed by the Health Insurance Benefits Program. Second, we now have a full-time nurse.

To accomplish these two objectives many people contributed time, energy, advice, money and good will. A few, whose con-

tributions were outstanding, must be named. First, Mrs. Dorothea Hickey, who had served the community so ably as our part-time nurse, though declining to work full-time, agreed most graciously to continue with us until someone could be found. Mrs. Jerry Thayer, Chairman of the Nursing Committee, a job she had handled so well for many years, though wishing to resign, agreed to stay on long enough to find a new nurse.

Mrs. William Willey was appointed Chairman of the Nursing Committee and under her leadership several committees went to work. The By-laws were revised by Mrs. Joseph Bradley, Mrs. Robert Hopewell and the Chairman. The Nursing Personnel policies were updated by Mrs. John Lillis and Mrs. Willey, and with the guidance of Dr. Donald Walsh, they set up a code of ethics and medical policies for the nurse which left no questions unanswered.

The By-laws, new nursing and medical policies were approved by the Board of Directors in June. Our new full-time nurse, Mrs. Virginia Dolan, was introduced at this meeting.

Mrs. Betty Ann Noyes, Nursing Consultant in the Medical Care Division, New Hampshire Department of Public Health in Concord, gave much of her time helping the Committees in their work and is our liaison with the Federal Government and the State Department of Public Health. Miss Dencie Ward also has given our organization a great deal of help. Their aid was greatly appreciated.

The Nursing Committee has met monthly with Mrs. Dolan to assist her in any problems she may have.

Mrs. Dolan has proved to be a very excellent nurse. She has gone out into the community and given her skills wherever and whenever they were required. She has extended our services to Alton and Wakefield. She has visited new mothers to give advice and a helping hand. Many times she has seen situations which needed to be brought to the attention of other organizations and this she has done. She has conducted clinics and made over 590 home visits and has attended work shops, conferences and courses to keep up with any changes. She has more than adopted our desire and policy to serve all of the people, regard-

less of age or financial condition.

I wish to thank each and everyone for your support of the Public Health Nursing Association. We have had a great year and I believe 1969 will see our organization serving our community in many more ways.

Respectfully submitted,

DOROTHY T. WILLEY

Planning Board

1967 and 1968

Members of the Planning Board were appointed in April 1967 following the passage by more than a 3 to 1 majority of Article 6 of the Town Warrant which authorized the Selectmen to appoint a Board of five (or seven) members. The original membership included Arthur D. Repetta representing the Selectmen, Henry F. Hurlburt, Bruce A. Williams, Alan B. Jones and Kenneth A. Wells.

At the first meeting Mr. Hurlburt was elected Chairman and Mr. Wells, Secretary. Unfortunately, after serving for about eight months the Chairman passed away and Alvin H. Thielker was appointed to fill out his unexpired term. Mr. Jones was elected Chairman. At the expiration of Mr. Repetta's term as Selectman, Milton E. Hodges was appointed to succeed him on the Board.

The Board has held a total of 50 regular and special meetings. In addition, one or more members have attended a total of 39 conferences with National, State and Area authorities on Town Planning problems and have reported back to the Board. At some conferences all members have been present.

The Board was instrumental in having an Ordinance Regulating Private Sewers and Drains and Private Sewage Disposal in the Town of Tuftonboro put into effect by order of the Selectmen following approval at the 1968 Town Meeting of Article 6 of the Warrant.

At this Town Meeting the voters authorized the Planning Board, by approval of Article 5 of the Warrant, "to adopt regulations governing the subdivision of land within the Town in accordance with Chapter 36: Sections 19-29 of the New Hampshire Revised Statutes Annotated pertaining to Regulation of the Subdivision of land."

A Public Hearing covering these regulations was held on October 22, 1968. As a result of public opinion at this Hearing two changes were made in the regulations and they were put into effect on November 15, 1968 by the Board as outlined in the Enabling Legislation of the State of New Hampshire covering Planning Boards.

The Planning Board welcomes suggestions and constructive criticism from the townspeople. The work of Town Planning covers many facets of both present and future living conditions and affects every one of us. In consideration of the rapid changes in over-all economic conditions, the problems are complex and the solutions are not easy. Open meetings for the discussion of some of these problems were held on February 20, 1968 and January 30, 1969.

KENNETH A. WELLS
MILTON E. HODGES

Forest Fire Warden & District Chief

New Hampshire is the fastest growing state in the northeast in terms of population increase. It is also an industrialized state and this growth is likely to continue, all of which means more families and homes. Our growing summer population is scattered throughout the state with a phenomenal increase in vacation homes.

Many new homes and practically all cottages are being located in woodlands and abandoned fields and forests crowd into the back yards of our village streets. In a state where the forests cover 86% of the land surface, it is necessary that everyone be aware all through the season, which comes with the disappearance of the snow until the snow comes again, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To **never** discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.

If you must burn —

- a. You need a written permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulations to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire **before** you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save our tax dollars for useful purposes.

Forest fire record for 1968:

	Number of Fires	Woodland acres burned
State	593	349
District	52	28½
Town	1	9

HERBERT C. HARTWELL, Jr.

Board of Selectmen

Tuftonboro

New Hampshire 03816

Regarding: Private Sewage Disposal Systems Within the Town

Since August 1, 1968 when the ordinance regulating the use of private sewers and drains and private sewage disposal within the Town of Tuftonboro became effective there have been forty-two permits issued for the approval for construction of new sewage disposal systems. Of these systems nine were located on island properties while thirty-three were on the mainland. Twenty-one of these systems have been constructed and inspected and an approval for operation has been issued.

Out of the total of forty-two systems on record for the five month period that the local ordinance has been in effect only four systems were adjudged as being more than one-thousand feet from any surface water and required only the permit from the town. The layout and design of the remaining thirty-eight systems had to be approved by the State of New Hampshire Water Supply and Pollution Control Commission before construction could be started.
